MOOD:  WAUGH!

That I'll be home to vote by Tuesday?

Waugh.

Miss my bed.

Miss my T.

And now, coffee and more footwork. 48 hours has *long* elapsed.
How many damned churches *are* there in this town?

Send Jerry Orbach.

Thank you

This is Patricia Andreoli, wife of Daphne Worth, who you all knew as Trollcatz. Daphne died

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

From: Human Resources, Federal Bureau of Investigations

To: Trollcatz

Subject: Proposed seconding/interdepartmental loan from NYPD

Regretfully, we are going to have to deny your request for one Jerry Orbach to supplement your current investigations, for the following reasons -

1 - Mr. Jerry Orbach is, at the present time, deceased.

2 - as of directive R114-Z(NLD) (release 10/1/1968)* use of metabolically differently-abled operatives (read Zombies) is contra-indicated in all but the most extreme circumstances, due to the inherent difficulties in command and control of said resources, and their unusual and difficult to acquire digestive requirements (read: Brains, human)

3 - We question how useful a zombified actor would be in your investigations.

To request Extreme Circumstances qualification, see form OFWS-666/J. If this form is approved, then disinterment of resources form VZM-114 may be filled out, requesting specific or general metabolically differently-abled resources. Note that approval by your SSA, and their immediate field manager, are required to submit both forms.

Thank you, and good luck in your investigations.

*see also supplemental directives R500-Z(DLD) (release 9/2/1978) and R3500-Z(DD) (release 6/19/1985), among others.

Settle for Vincent D'Onofrio? (I would.)

D'Onofrio for deductive capability. For looks, though, Benjamin Bratt. Although Jill Hennessey for looks as well... I miss Claire.

I dunno, seems like Peter Falk might be useful, or am I dating myself with that reference?

Duke is holding down the scene. And yes, unhurt. And eventually fine, though not just yet.

Fortunately, they have coffee.

And I have the incongruous sight of crime scene tape around a church.

D., we have to get you a better mobile device. I'm too old to read words without vowels in them.
